EDUGENIE: GOOGLE GEMINI POWERED LEARNING ASSISTANT

Phase 8: Project Demonstration Phase

The final phase involved demonstrating the completed EduGenie application and its major functionalities.

Exploring EduGenie

EduGenie provides a single interface for accessing multiple AI-powered educational functions.

Fig: EduGenie Application

Asking Questions

Users can enter academic or general knowledge questions and receive AI-generated responses.

Fig: Asking Questions

Explanation of Any Topic

Users can enter any topic and receive a simplified explanation.

Fig: Explanation of Any Topic

Summarizing Long Paragraphs

Users can enter lengthy paragraphs and receive concise summaries containing the key information.
